MILLENNIUM MALL
QUETTA

Quetta's first international standard shopping mall

QUETTA

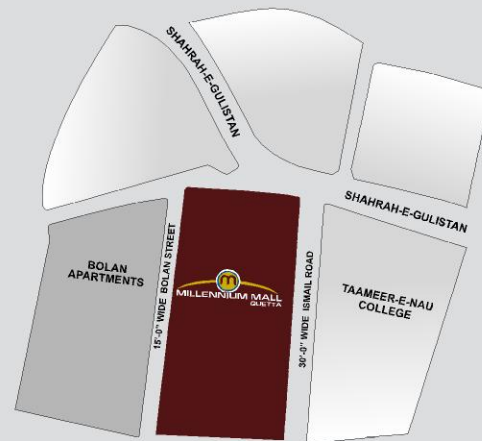

A vital trade and communications hub of Baluchistan

Quetta is the largest city and provincial capital of Baluchistan and is known as the "Fruit Garden of Pakistan". Surrounded by imposing hills on all sides, the population of Quetta is approximately two million, and the city has an area of 2653 sq. Km.

LOCATION

The address that gives life to your business

Located on the 70' wide Shahrah-e-Gulistan in the bustling commercial municipality of Quetta and the secure Army Cantonment Area, Millennium Mall is 5 minutes from the Serena Hotel, and the Liaqat Bazaar. Adjacent to the Bolan Apartments and the Taameer-e-Nau Public College. This corner plot has the advantage of being connected to the main roads from three sides and is easily accessible from anywhere in the city.

BOLAN BUILDERS AND DEVELOPERS

A great legacy of building landmarks

Bolan Builders and Developers is a dedicated, forward looking real estate development group. Four decades of experience in the field has helped us evolve a vision of realty development that encompasses both ends of the spectrum, from the purely residential to the dedicated commercial developments and all that lies in between.

Our vision is to provide the occupants and users of our projects safe, secure, modern, user-friendly living and workspaces, which conform to a modern lifestyle.

OUR PREVIOUS PROJECTS

A little about our success storeys

The first to give Quetta a modern residential hotel, Bolan Builders and Developers have given Quetta its most luxurious Apartment House, the Bolan Apartments. A one of a kind highly successful residential project, its systematic planning is based on the ideal human environment coupled with superior construction and fortified security. All these winning factors have made this project the ideal living space for anyone with class and the desire for quality in life.
